THE BIBLE AND THE BIBLE ONLY, MAKES CHRISTIANS AND CHRISTIANS ONLY. THE CHURCH OF CHRIST IS COMPOSED OF CHRISTIANS WHO HAVE NOT JOINED A DENOMINATION.

The BIG Lie

It is not a scientific “fact” that man “evolved” from lower life forms over billions of years. That is the big lie that has been propagated as “science” over the last 150 years in order to deceive children into thinking there is a natural (as opposed to supernatural) explanation for this universe and life on earth. Some scientists know that general evolution is such a poor theory that they are looking for extra-terrestrials to explain the origins of life here on earth.

In other words, general evolution is the big lie, and it’s inadequacy as even a good theory makes scientists look **outside** the earth for the origin of life here. We know the truth. Jesus came from **outside** the earth and told us that Genesis is correct.

Jesus had power over death, was raised from the dead, and after 50 days of giving eyewitnesses evidence He ascended back to heaven. Acts 1:1-11. Why avoid the truth? Why keep searching for a lie? Why keep teaching general evolution to the children? The heavens declare the handiwork of God (Psalm 19). It is time to face the truth!

SEEKING THE LORD

Everyone should seek the Lord. The benefits are wonderful!

DEUTERONOMY 4:29-31 *But from there you will **seek the Lord** your God, and you will find Him if you **seek Him with all your heart and with all your soul.** 30 When you are in distress, and all these things come upon you in the latter days, when you turn to the Lord your God and obey His voice 31 (for **the Lord your God is a merciful God**), He will not forsake you nor destroy you, nor forget the covenant of your fathers, which He swore to them.*

JEREMIAH 29:13 *And you will **seek Me** and find Me, **when you search for Me with all your heart.***

John 7:17 *If anyone **wills to do His will**, he shall know concerning the doctrine, whether it is from God or whether I speak on My own authority.*

HEBREWS 11:6 *...He is a rewarder of **those who diligently seek Him.** -db*

The Words We Say

The words we say are scratches deep
Upon the surface bare;
We can remove the varnish, but
The markings are still there.

Some things there are w cannot mend,
Or wrest to former glow;
For once the grain is scored in pain
The scars will ever show. **-Roxie Smith**

The best way to succeed in life is to act on the advice you give to others.

Past experience should be a guide post, not a hitching post.
